

## Smart Barcode Scanning Solutions for Every Need

### No-code Standalone App

Instant deployment, ready-to-go app

### Pre-built Components

Effortless integration, optimized UX

### Custom Integration

Total flexibility, requires time and resources

#### No-code for when your business:

- ✓ Needs to deploy very quickly
- ✓ Cannot modify existing applications
- ✓ Has limited or non-existent engineering resource

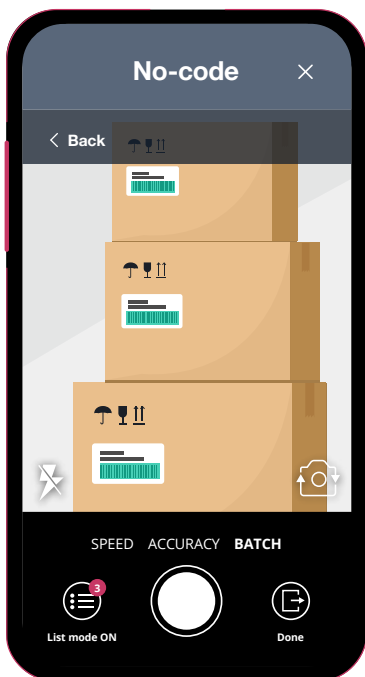

#### Pre-built components for when your business:

- ✓ Has limited computer vision expertise
- ✓ Wants to integrate into a mobile or web app
- ✓ Has a busy engineering team
- ✓ Needs a fast and optimized solution

#### Custom integration for when your business:

- ✓ Has in-house computer vision and UX expertise
- ✓ Wants to integrate into a mobile or web app
- ✓ Needs a custom scanning and UI solution
- ✓ Has time and engineering resource
